Understand the Measures.

Read the official wording before deciding. These brief descriptions do not recommend a YES or NO vote.

01 BUDGET STABILIZATION FUND

STATE BUDGET RESERVES

Would increase the maximum reserve from 10% to 25% of general revenue collections, require annual transfers subject to stated conditions, and permit withdrawals for critical state needs.

02 AGRICULTURAL PERSONAL PROPERTY

TAX EXEMPTION

Would exempt qualifying tangible personal property used for agriculture or agritourism on agricultural land. If approved, it would first apply to tax years beginning January 1, 2027.

03 HOMESTEAD EXEMPTION / ASSESSMENT CAP

PROPERTY TAXES

Concerns a larger homestead exemption and a lower cap on annual increases in non-homestead property assessments. Read the official text for eligibility, timing, school-tax treatment, and local-government impacts.
